

Exceptionally active in the area of CSI

Support environment for employees

Outstanding development opportunities

An excellent reputation

Proud to be part of this dynamic organisation.

Foskor has been identified as being on the leading edge of growing professional careers and is proud to have been awarded CRF's the BEST Employers™ 2011/12 certification seal.

Foskor makes transformation a business imperative and has formally implemented programmes to develop and promote staff in designated groups which include expatriate skills transfer, mentoring, graduate recruitment and development programmes.

Employment equity forums ensure that appropriate plans are developed, executed, monitored and communicated to employees.
